NIMBUS 111 PART three

by

jason welch

The POLICE ship GALILAO comes out of ,a DIMENSION GATE, reading the SUNDAY TIMES COLOUR SUPPLEMENT , near a star base 2 CANDEREL a satellite of the 3rd planet of ALPHA CENTURY ..

RELL This is the central hub of the galactic Federation

OLIVER MOSS And we can get help for our comrade trapped on NIMBUS 111.

RELL It's built into the rock of a large Moon

orbiting a gas giant In the central zone of the Milky Way galaxy .
Oliver Moss walks around a Persian rug and through a guard rail to join STENTON RELL by his command chair.
OLIVER MOSS That's a very impressive Space Station must have taken a lot to build .
STENTON RELL Kaldor gave them as many robots as we could muster in return for their protection from the other Empires.
OLIVER MOSS Yeah I know they work cheap and don't complain about overtime.
RELL gets out of his command chair and steps through the hexagonal guard rail .
RELL Come with me to CONDEREL and we'll make a report to the high council .
They leave the bridge and walk down the central gantry to a cargo bay past workers moving cargo to the back where two VOC ROBOTS are on sentry duty .RELL presses an INTERCOM afixed to the bulkhead lock .
STENTON RELL Stenton Rell of the Kaldor police for an Audience with the High council. .
GENERAL WILLIAMS Before I summon the council can you give me a report.
STENTON RELL I've just been engaged in a conflict on NIMBUS 3 , and some of our men and civilians are trapped , or captured, request military help .
GENERAL WILLIAMS That is a very serious accusation RELL and the Draconian Ambassador is here in the middle of trade negotiations .
STENTON RELL I have three witnesses with me general .
GENERAL WILLIAMS I'll tell the Ambassador to come to the council office.
The cargo bay door opens and James Oliver and Michael follow RELL to the nearest travel tube .
PRESIDENT VANNESSA BELLAMY is in her apartment when CHIEF MOVER POUL walks across a persian carpet and grabs an INTERCOM handset from the soft resin plastic wall summoning her .
BELAMY is reaching over GRANT SUPLEX to the fruit bowl when the INTERCOM buzzes on the beside cabinet .
PRESIDENT VANESSA BELAMY I might send you back to FRONTIOS with more of those TOTAL SENSORY EMULSION UNITS.
GRANT SUPLEX Since i gave up running FRONTIOS and conceded power to the liberals ,i was considering getting tickets

for the new game on KALDOR .
PRESIDENT VANESSA BELAMY OH DIMENSION GRANT TRYNOR I was reading in the OBSERVER COLOUR SUPPLEMENT today it's gonna be the most popular show in the GALACTIC FEDERATION.
CHIEF MOVER POUL Where ready to start the meeting MADAM PRESIDENT.
PRESIDENT VANESSA BELAMY We're on our way POUL .You must hate it, turning up here with trade agreements just a fter resigning the presidency.
GRANT SUPLEX Oh SYLVESTER sSNIGLEY doesn'y know where to put himself and most of FRONTIOS want me back in the driving seat .
They leave there apartment and walk over a PERSIAN RUG ,with a picture of a GINGER TOM CAT, to a perspex tube and press for a travel tube , that whisks them in 4 directions throughout the artificial satellite of CANDEREL .into a chamber and across a baby blue tiled carpet along a ramp to water fountain next to a refreshments kiosk ,where the Ambassadors are sitting in sun loungers .
POUL walks over to an alcove and bangs a brass gong hanging from the vaulted ceiling .
The ambassadors get off there sun loungers and walk over from the ornamental Fountain and down a corridor to a high arched entrance enblazened with symbol of the galactic Federation and take their places in the Conference Center .
MOSS ,SWIFT ,DUNKIRK AND RELL come out into the visitors lounge and across a royal blue tiles carpet down a ramp and across to the conference centre, then into the large auditorium passing delegates of a variety of species .
The four of them step up to a stage past a sandy yellow velvet curtain to take there seats infront of the high council .
PRESIDENT VANESSA BELLAMY Delegates we have with us STENTON RELL of kaldor police With report of conflicts on Nimbus 3 .
CHIEF MOVER POUL Thats a closed planet.
STENTON RELL Yes but we had to rescue humans who'd been kidnapped.
CHIEF MOVER POUL And you where fired on buy a large group of Draconians.
GENERAL WILLIAMS Ambassador do you have any explanation for this.
the DRACONIAN AMBASSADOR steps out from behind a sandy yellow velvet cur tain to stand before the assembly .

AMBASSADOR JACAR ` All my men are loyal to the empire and I would not have orders a military operation you must be mistaken.
RELL But they were Draconian and we were thrown off NIMBUS 3 at gunpoint into the transporter .
OLIVER MOSS MADAM PRESIDENT I'm from Earth but They look just like your DRACONIAN ambassador.
RELL We were escorted off by ROBAR do you have a military officer called that
AMBASSADOR JACAR I will consult with my high command.

OLIVER MOSS Now earth is involved I would like to propose membership of the GALACTIC FEDERATION .
An Assistant comes up to the stage saying [a SONTARON battleship has just docked]
PRESIDENT VANESSA BELLAMY SWIVELS IN HER CHAIR---- I expect the SONTAR A N AMBASSADOR will want a full reports on the activities on Nimbus 3 ?
GENERAL WILLIAMS Yes for the longer we delay the harder it's going to be to rescue the humans .
COMMANDER STYKE OF HE 9TH BATTLEFLEET walks through the assembly to greet the PRESIDENT
From the back of the chamber GRANT SUPLEX comes up to the delegates
GRANT SUPLEX I know this SONTARAN AMBASSADOR, he helped me catch up with some friends on KALDOR when his battlecruiser was attacked near my planet CLANERIA X.
OLIVER MOSS I know him as well. Belive it or not he used to be GEO RGE PRAVDA of SOVIET UNION , one of the superpowers on my home planet earth .We rescued him from MOSCOW and sent him into space to join his people
COMMANDER STYKE Nice to see you OLIVER you're the last person i expected to see here, hows things in DALLAS ,and the ranch.
OLIVER MOSS SPITFIRE hasn't won the Kentucky Derby yet George . Your SONTARON AMBASSADOR stayed on my farm before we sent him up an Ariane 5 rocket and he joined his battleShip .
GRANT SUPLEX Why are you here commander STYKE .
COMMANDER STYKE High command feels that if they

get hold of our genetic code and our cloning technology they'll be unstoppable . They're a menace to all of us Madame president.
PRESIDENT VANESSA BELLAMY Yes I take your point , that has to be a concern for the entire of the GALACTIC FEDERATION .
GENERAL WILLIAMS Would you like to stay until we've neutralized the Threat on Nimbus 3 STYKE .
PRESIDENT VANESSA BELLAMY Quarantine the m on NIMBUS 111.
OLIVER M OSS O n Earth as we've installed RUTON trackers in pub restaurants throughout the Western world and we're catching them .
MICHAEL DUNKIRK When we install the ruton trackers in fast food restaurants they're given a card that they can lock the doors and call the police immediately and they're being manufactured by Panorama chemicals on Earth
THE SONTARON WALKS UP TO GENERAL WILLIAMS
COMMANDER STYKE HIGH COMMAND STILL NEED TO KNOW WHY OUR RAIDING PARTY WHERE ATTACKED BY DRACONIANS .
The DRACONIAN AMBASSADORS emerges from behind a sandy yellow velvet curtain and walks to stand in front of the high council next to STYKE .

AMBASSADOR JACAR M y investigation has revealed that one of our ships was on its way back to the Empire when it had engine trouble .
AMBASSADOR ROM They scanned the star system and landed on the nearest habitable planet .
STYKE They did not have to side with the enemy JACAR.
AMBASSADOR JACAR When they left there ship, fighting the winds containing iron fillings and metal copper fillings, the sands became alive with RUTONS , who attacked and morphed there amphibious bodies into DRACONIAN-RUTAN HIBREDS .
GRANT SUPLEX Yes they look like giant squid in there rock pools in the Sand.
STENTON RELL So the first race to be converted into RUTON hybrids with these Draconians who are now defending Nimbus 3
OLIVER MOSS With the help of the new battle tanks which were constructed buy materials from Earth .
PRESIDENT VANESSA BELLAMY Take three fighter planes and go with STENTON RELL to rescue the humans .
GENERAL WILLIAMS They are there to protect this base
COMMANDER STYKE The VIGILANT will stay in this sector until your TIE FIGHTERS return .
AMBASSADOR JACAR And I will go with you I have a keen interest to see these draconians.
OLIVER MOSS Madame president we need to get back to Earth to continue our own lives.
MICHAEL DUNKIRK Our mission here is finished.
PRESIDENT VANESSA BELAMY We will send you back from here if you can get the coordinates of the transporters.
OLIVER MOSS If you show me to my office I'll get zebra squad to be ready to come through the jump Gate as soon as

we have got the civilians through and captured the planet .
MICHAEL DUNKIRK Are you going to be able to do that
OLIVER MOSS when we've secured the planet zebra squad are going to come from our base in South America and start sending some of those routes home
PRESIDENT VANESSA BELAMY I've decided to make you the first Earth ambassador
OLIVER MOSS No really Madame president I've got a business to run, though I'll stay until this crisis is over and you'll send me back from this galactic Federation hub
FIRST MASYTER POUL In the meantime we'll set you up an office so you can communicate with your home world .
PRESIDENT VANESSA BELAMY We'll adjourn this session of the high council to consider these developments .All the delegates file out of the conference room and make there way to a bright court yard with a refreshments kiosk.
Present Vanessa Bellamy in her party leave the refreshments kiosk followed by General Williams and the DRACONIAN ambassador follow STENTON RELL to a travel tube that whisks them in 4 directions to the cargo Bay of the Galileo .
They walk past crew loading barrels into the wanderer ship GALILEO. Some of the Ambassadors, Bellamy and sondar go to a visitor's gallery ,while on the command deck V-O-C robots makes ready to enter the dimension Gate back to Nimbus 3.
RELL walks the main gantry and onto the flight deck then goes through the Hexagonal guard rail to the command chair .
RELL Prepare to get underway helmsman plot a course back to Nimbus 3.
The ship ejects from the Mercury pool at the center of The Dimension Gate with the three tie Fighters in Close formation.The main viewer is dominated by tactical displays from the cockpit of the tie Fighters as they
dive into the atmosphere .
.OLIVER MOSS Are you gonna be able to rescue my people RELL.
In the viewing gallery president of the galactic Federation Vanessa Bellamy is watching on the
monitor ,With the draconian ambassador SONDAR .
SONDAR These are not my troops but they will be following the standard
draconian battle plans.
VANESSA Would you like to go up to the bridge and help supervise with RELL.
On the planet Major Barklette has assembled the humans in close

proximity and is focusing his powerful binoculars watching ROBAR and his troops travel along the rolling road towards the central dome .

MAJOR BARKLETTE ROBAR has Draconian and human soldiers in his Platoon.

SARGANT PALMER They'll stay there till they catch us .

ERIC YOUNGBLOOD W e might as well give up now.

JIM FERGUSSON We're done for if we stay here.

MAJOR BARCLETTE Move off and head towards the DIMENSION GATE

SARGANT PALMER W e cannot risk the civilians .

ERIC YOUNGBLOOD Humans first contact with a advanced alien Civilizations and we end up getting captured .

MARJOR BARKLETTE Sergeant Palmer stay behind with the civilians and we'll try and give ourselves up.

PALMER runs up a Sandbank over the crest and tumbles down the other side To wear a group of families are hiding from The draconian Mercenaries .

Stay here while they're on the rolling roads and I'll try and lead you back to the dimension Gate.

ERIC YOUNGBLOOD Do you think you should raise the White Flag or something.

CORPRAL GREEN They might not recognise that as a sign of surrender .

The soldiers walk over the peak of the DUNE and down the sand bank with there hands held high.

A DRACONIAN jumps over the sand and hits Youngblood and they go rolling down the sand dune . Eric flips the draconian on his back and grabs him by the neck But the power of the soldier overcomes him .Other Draconians jump over the sand Dune and point their plasma rifles at MAJOR BARKLETTE.

ROBAR Humans give yourself up.

JACAR Can be heard from ROBAR'S wrist communicator saying [you are now slaves of the ruton Empire]

ROBAR But don't worry humans soon you will be like us.

A TIE Fighter zooms Over the Horizon and hovers above ROBAR And they hear the voice RELL

STENTON RELL Put down your weapons or be fired upon .

MARJOR BARKLETTE Well it seems you had a Reversal of Fortune

RELL THE GALACTIC FEDERATION is taking charge of Nimbus 3
ROBAR clambers down and Orders his men to disarm .
A TIE Fighter glides over the peak of the sand dune and hovers above the Platoon of Draconian soldiers .
RELL Return to the Central dome while we quarantine the area .
The Freedom Fighters jump over the peak of the sand dune collecting plasma rifles and escorting the Platoon of DRACONIANS on to the rolling road.
ROBAR is the last to clamber onto the large conveyor belt and is handed the remote control reversing the direction of travel towards the central Dome .
RELL If you would like to get onto the conveyor belt you should reach the Transporter and escort the civilians .
MAJOR BARCLETTE Yes but can you get us back to the earth I can't set the coordinates I was relying on James Swift
RELL JAMES SWIFT is with me and will be waiting for you at the Transporter .
In the observation Lounge of the Galileo president of the galactic Federation Vanessa Bellamy Steps out with SONDAR the Draconian Ambassador And are followed by James Swift And they walk up the Central Gantry to the Transporter Bay.
The general Williams walks over to tV67 Manning the console saying [send James here through the jump gate to Nimbus 3]
V67 Set the coordinates for Nimbus 3 James Swift steps onto the Transporter pad .
JAMES SWIFT So when are we going to have Oliver moss and Michael Dunkirk back
GENERAL WILLIAMS They are guests of THE GALACTIC FEDERATION
JAMES SWIFT Is that right madam president.
PRESIDENT VANESSA BELAMY I've decided to make him the first Earth AMBASSADOR
GENERAL WILLIAMS I'll give him a quick induction before I send him back to Earth .V67 Activate the Transporter beam and the two arcs one of the vertical art rotates 40 degrees
And James step through on to the sand dunes of Nimbus 3 wear freedom Fighters are waiting with the zebra squad Platoon .
THE RESCUED HUMANS are just disembarking the large conveyor belt Helped by the community leader Hansel and Greta bringing the children over to the two vertical Transporter ARCS
HANSEL We’ve got homes as waiting for us on GALDA

PRIME
GRETA That's where we were going before we were ambushed by the Draconians
PRESIDENT VANESSA BELAMY Yes that's the trouble with RUTONS they can
infiltrate anyware
GENERAL WILLIAMS And breed with binary fission .
ERIC YOUNGBLOOD That reminds me I really must finish my basic food hygiene test for the next season of JUGHEAD .
PRESIDENT VANESSA BELAMY Citizens of Galda prime welcome back to the galactic
Federation .
GRETA Can you take a straight home.
James Swift activate the Transporter lighting The two DIMENSION ARCS that rotate 40 degrees
creating a rippling mercury pool in the center .
Everyone gathers round two vertical arks 20ft high standing verticly in the sand and JAMES SWIFT activates at a waist high control console ,the two vertical arcs light-up and one of them rotate 40 degrees
BASCOM can can be heard from speakers mounted on one of the ARCS.
WALT BASCOM If you can set up a perimeter around the Transporter we're going to be sending some rutons back to their home world.
MAJOR BARCLETTE I'll get zebra squad to have some hi wire fences around the perimeter and we'll make camp here.
JAMES SWIFT go through now.
All the humans go through the DIMENSION ARCS and arrive back at the base in Venezuela .
First through theDIMENSION GATE is HAZUS reading the EASTBOURNE GAZZETTE followed by his Platoon of Freedom Fighters , MAJOR BARCLETTE and SERGENT PALMER.
On the bridge of the Galileo STENTON RELL leaves his command chair and walked the hexagonal room through the guardrail and onto the central gantry then Joined the Ambassadors in the transporter bay just as as the humans arrive .
R ELL barks orders into his wrist communicator saying [Helmsman plot a course to GALDA PRIME] the Galileo leaves orbit and points it's nose towards the DIMENSION GATE , while AMBASSADOR STEVENS reads the SUN NEWSPAPER with a double page pull out of SAMANTHA FOX .
SONDAR Madam president I can have a draconian battlecruiser patrolling this area

PRESIDENT VANESSA BELAMY Yes do that.
GENERAL WILLIAMS And I'm going to have to start a screening programme for RUTAN hybrid throughout the entire Federation .
PRESIDENT VANESSA BELAMY that human mention he might be able to help us out there
GENERAL WILLIAMS Oh yes and how's that tHEN
PRESIDENT VANESSA BELAMY It seems the humans are more advanced than we realised,
WILLIAMS I t seems ambassador MOSS has a screening programme on Earth in pubs and fast food restaurants in many of the towns .
The whole party walks at the central gantry of the Galileo where VOC robots ARE making the
cargo Bay ready for the human civilians to GALDA PRIME on there way back to the visitors
Lounge .
PRESIDENT VANESSA BELAMY would you like me to ask them nicely if they'll send some of their contractors here so we can install them in some of our fast food restaurants .
WILLIAMS Yes that's a very good idea
